John Johnson
Junior
Mathematics major
<u>Bio</u>
Age - 21
Location - Off campus
GPA 3.8
Taking 15 units
Talented in the field of mathematics doing many practice problems to prepare well for exams.
Part time tutor in his free time
<u>Needs</u>
Wanted to have a platform more localized to his area (for in person sessions).
Earn more money in his free time
Advertise his tutor sessions and help more people with math problems
<u>Goals</u>
To earn money as a part time tutor
Wishing to find a platform for locals or students that are in his university
<u>Pains</u>
Can do remote tutoring but wifi is terrible and would prefer to have the session in person
Having trouble advertising his sessions on campus
